# AI & Technology Committee Meeting

DATE

June 18, 2026

TIME

4:00 PM

LOCATION

9777 Wilshire Blvd. #400. Beverly Hills, CA 90212

## About This Event

The AI & Technology Committee Meeting brings together professionals interested in innovation, automation, cybersecurity, digital transformation, and emerging technology trends. This session provides a forum for business leaders and technology-minded members to exchange ideas, discuss practical applications, and explore how new tools are shaping the future of business. Attendees will gain insights and connect with others who are focused on innovation and growth.

## Event Highlights

- Discuss AI and emerging technology
- Explore practical business applications
- Connect with innovation-focused members
